

## Conferences and events at the gateway to Munich

Located in the heart of Chiemgau in between Kampenwand Mountain and Lake Chiemsee, Golf Resort Achenal welcomes its guests only 45 minutes by car from Munich and half-an-hour's drive from Salzburg.

### Conference facilities

The meeting rooms at Golf Resort Achenal spread across four floors and offer conference guests lots of space for undisturbed and concentrated work across more than 1,000 square meters. 19 conference rooms with a surface from 25 to 256 square meters provide the ideal framework for any occasion: From smaller-scale meetings in the comfortable ambience of the cosy rooms "Stuben" to large presentations with up to 200 guests in the major conference room "Geigelstein". Spacious terraces offer direct access to the outdoors with lots of space e.g. for car presentations. Some conference rooms are equipped with balconies. The third and fourth floors of the hotel not only accommodate meeting rooms, but also large break-out spaces. Small exclusive events are ideally hosted in the individually appointed cosy rooms: With comfortable armchairs, old wooden ceilings, antler lamps, loden cloth chair covers and hunting trophies, these rooms form the ideal setting for an intimate dinner or board meeting.

### Service

All conference rooms are equipped with free WiFi, air conditioning as well as modern presentation aids which are – to a large extent – offered free of charge (e.g. video projector, mobile flip chart, facilitator's toolbox). Additional equipment (e.g. video camera, speaker and microphone systems, copy service) are available at a fee. A competent and dedicated contact person ensures personal all-round service, cooperates with professional partners on site and takes care of the planning and implementation of the event.

### Supporting programme

Besides excellent meeting rooms, a conference at Golf Resort Achenal promises numerous relaxation opportunities with a great variety in leisure activities. Diversified menus and buffets, hearty Bavarian delicacies and evening cocktails are on the menu at the two restaurants, three cosy rooms, the mountain hut and the spacious bar with lounge. After an event, conference guests find relaxation and athletic pursuits in the 2,000 square meter wellness area with two pools, five saunas, a relaxation area and spa, within the spacious garden area, at the 18-hole golf course with training facilities right next to the hotel or at the gym with state-of-the-art equipment by LifeFitness.

### **Conference package**

A night in a Comfort Single Room with free Sky-TV, WiFi and non-alcoholic beverages from the minibar, extensive breakfast, use of the wellness area and free parking at the hotel is available from 129 euros per person. The conference package starts from 63 euros per person and includes the use of a conference room for the required number of people, free WiFi on the hotel grounds, conference technology (flip chart, three pin boards, screen, video projector, facilitator's toolbox, writing pads and pens as well as a sweet treat on the tables), refreshing coffee break in the morning with fresh fruit and savoury snacks, a light lunch in the framework of a lunch buffet at the restaurant as well as a coffee break in the afternoon with sweet pastries

During the fall and winter months a successful conference day is crowned by a walk to the lake house where mulled wine and pastries await conference guests. Back at the hotel, the rustic-style mountain hut "Hubertushütte" located within the resort's garden promises a quaint dinner with regional specialties.
